Camp Rodef Shalom

A Summer of a Lifetime!

Every day is special - Just like every camper!

Friends for Life!

Campers at Rodef Shalom make memories and friends to last a lifetime. With their bunks, campers spend their days playing inside & outdoors with a 1-to-4 ratio of qualified staff from local middle and high schools, led by college students and teachers. Adult specialists run music, sports, drama, and art programs which the children attend daily. Children enjoy water play with squirt guns, sprinklers, and inflatable pools, and two weekly pool visits.

Jewish Identity

Every Friday afternoon finds all of camp in the Sanctuary celebrating Shabbat with songs and stories from our clergy. It's a time to relax and reflect on another wonderful week together. We also learn a little Hebrew every morning, take time to say blessings before we eat, and each bunk collects donations for a charity of their choice as part of Social Action Shabbat. Forming a positive Jewish experience is an important part of camp.

Campers in Disguise

Pajama Day, Tacky Day, Purim in July and Color War Week give everyone a chance to show their spirit — we can barely recognize who is who with these special days!

Guests & Events

In addition to the daily schedule of rotating activities, guests such as clowns, magicians, and musicians entertain us. We also enjoy events such as our Carnival Cookout (with moon bounce, ferris wheel, ball crawl, and dunk tank, as well as games and prizes), Scavenger Hunt, Lip Sync, and the exciting Pie-Eating Contest! Color War Week and Room Decoration Week are longer competitions that offer campers more time to work together, with awards for all participants.

Field Trips

Yellow school buses take Youth & Pre-C.I.T. campers on weekly field trips to area water parks, pools, and other attractions. Pre-school campers enjoy age-appropriate park

trips as well as excellent in-house guest entertainment. Chaperones are welcome!

Our Camp Director

Danielle Heyman Feist has been teaching at Temple Rodef Shalom since 1995 and sharing music with our campers since 2007. She graduated from Vander-

bilt University with a degree in Secondary Education and Cognitive Studies, and earned her Masters Degree at George Mason University in English. Over her years as our Camp Songleader, she has experienced the ways that music and friendship are at the heart of our amazing camp. Most of all, Danielle is known for a leadership style that radiates creativity and positivity, and she continues to share her high energy with the campers and staff each summer!

Swim Program

Twice a week, our campers enjoy free swim and lessons (grades K — 3) at nearby pool. The facility also offers volleyball, tetherball, basketball, ping-pong, and playground equipment for our campers' use.
