

FAQ for Thursday, 1-17-19

- The Nursery School students held a competition to name the playground that is being assembled out in front, and the winner is “Central Park”! We’re excited for the precipitation to give us a break so that the landscapers can finish putting it back together.
- A two-for-one deal: the landscapers (who also do our snow removal) have been using a Bobcat machine to help move and re-assemble the playground, and, since it was on site, they were able to use it to more easily MOVE the snow (rather than just push it with a plow). Thanks to this serendipity, our parking lot was available much sooner than anticipated after the snowstorm!
- Our contractors have been busy behind the scenes, and they have awarded over 50% of the 37 subcontracts needed for our project.

If you have any questions about the building project, feel free to email us at bptf@templerodefshalom.org!
