

FAQ:

The surveyor has begun to stake out the property for grading and construction! Some of the stakes can be seen on the new land which will soon be our additional parking area.

Even though this wild winter weather has slowed down the progress of the new playground installation in "Central Park", progress is being made. Be sure to take a peek the next time you are here! In the meantime, our Nursery School students still know how to have fun outside: they have been having a grand time in the old space, taking advantage of having more open area where they can still play in the sand (and the mud or the snow)!

Meanwhile, here's a teaser for you: keep an eye on the space next to the Dumpster in the coming week!
