

FAQ for 2/21/19

What a difference a week makes in a building project! The silt fences are up, as is additional fencing. Multiple construction machines are on site, and the grading has begun for the new parking lot. The landscapers have made great progress on the playground, and the climber is better than ever. Colin Miller, Superintendent for Scott Long Construction, has been working hard, and he even contacted our near neighbors to update them on our progress. Stop by and check out the progress toward a new Home for the Future of Judaism!
