

FAQ for 2/7/19

Did you see the new arrival in the parking lot? The first construction trailer has arrived! The contractor is working to hook up electricity and internet to the trailer and the surveyor finished staking out our property for grading and construction. A pre-construction meeting will be happening any day, and then away we go! It looks like this building project is really going to happen!

If you have any questions about the building project, feel free to email us at bptf@templerodefshalom.org!
