

FAQ for 6/27/19

This week's report has a clarification and a celebration:

The clarification: While there will be work on the Multipurpose Room this summer on the flooring, it is just the beginning. Yes, the Multipurpose Room will have a fresh new look (and a new ramp), but not by the end of the summer.

Meanwhile, there has been amazing progress on the new parking lot! The curbs and gutters are almost complete, and it is suddenly obvious how we'll be able to fit in nearly 100 additional cars. (It was a bit hard to picture before now.) Our contractor predicts that we'll be able to start using it after July 9<sup>th</sup> – let's keep our fingers crossed! In other "concrete news", per our agreement with Fairfax County, we are updating the sidewalk and bus stop pad along Westmoreland.

The best news is that all this work has continued while Camp Rodef Shalom is off to a great start!
