

Weekly Update 10.3.19

The picture above was taken while standing in the new classroom addition, facing our current building. If you look at the top left, the doors you see lead to Beth Silver's former office. The windows on the top floor (where the lights can be seen) are the kitchen windows. The concrete path indicates the future location of the two-story walkway that will connect the current building to the classroom/clergy addition. The progress since last week is remarkable!

Two reminders as we all gather for Yom Kippur next week: please make sure to use the indicated walkways as you walk onto our site (and look for the signs that tell you where to go). This is a safety issue – YOUR safety, which we greatly value! Secondly, please do NOT park illegally on Kirby Court (or anywhere else, for that matter). The Kirby Court neighbors are the ones who are most impacted by our construction, and we can show our gratitude for their forbearance by not annoying them! (Please consider parking elsewhere.)

If you have any questions about the building project, feel free to email us at bptf@templerodefshalom.org
