

8.20.2020 Weekly Update

Reyna Pratt, Chair of the Building Project Task Force, provides our updates as construction progresses.

We are super close to completion for part of the building project! In fact, we are moving into the clergy/classroom addition starting next week! In addition, the Multipurpose Room (MPR), the school offices, the Youth Lounge, the Camp Office and the school lobby should all be finished by the end of next week. Below are some pictures of the MPR, although the floor is being protected, so we can't show you that quite yet.

The picture below allows you to see the completed ramp and the fun ceiling lights. Even without windows (since it is a completely internal space), it will be brighter and more cheerful than it was before construction.

In the next picture, you can see that the accent wall has been painted a lovely shade of silvery blue. Looking at the ceiling, we can see the tracks for the sliding partition doors.

(The doors themselves are protected by plastic wrap, as you see in the photo. We're excited to see them unwrapped as well!) Lastly, the columns will be wrapped in carpet, as they were before construction. This is for the safety of the children who play in this space.

We're getting there!!

As always, please reach out if you have any questions: bptf@templerodefshalom.org
