

**Weekly Update 9.24.2020**

*Reyna Pratt, Chair of the Building Project Task Force, provides our updates as construction progresses.*

We are so lucky to have a great team working on our landscaping. The plantings were designed by Rhodesside & Harwell, and they were installed (and are being maintained) by McLean Landscapes. The picture below shows the circle in front of the Small Sanctuary wing, a much-improved appearance compared to how it looked before construction.

At the beginning of the building project, we promised our Kirby Court neighbors that there would be additional trees installed to block their view of our building. The pictures below show the new plantings on the north side of our property, between the playground and the north boundary.

Temple Rodef Shalom will continue to be just stunning, both inside and out!

As always, please reach out if you have any questions: [bptf@templerodefshalom.org](mailto:bptf@templerodefshalom.org)
