

## 10.15.2020 Weekly Update

*Reyna Pratt, Chair of the Building Project Task Force, provides our updates as construction progresses.*

A year ago, I was certain that we would all be enjoying the new spaces by now, both inside and out. A year later, we have many beautiful new spaces in which we cannot yet congregate. However, the Temple staff continues to be creative and resilient in dealing with the challenges facing us around gathering, and they have come up with ways to use our new outside spaces to socialize. And, yes, we do have multiple new outside spaces that are not just for the children!

Below is a picture of the Playground Patio, a great new space located near the top of the slide, just outside of the new classrooms.

This next picture is of the Pond Patio. We have a new, three-story addition on the west side of the building, between the Social Hall and the pond, and the patio was created as part of this new construction.

Lastly, we have the terrace outside of the Small Sanctuary, as seen below.

With a few propane heaters, each of these spaces can be used for small gatherings. It will be lovely to see people again in person, and I'm so grateful that the TRS staff is making this possible!

As always, please reach out if you have any questions: [bptf@templerodefshalom.org](mailto:bptf@templerodefshalom.org)
