

10.8.2020 Weekly Update

Reyna Pratt, Chair of the Building Project Task Force, provides our updates as construction progresses.

Our Early Childhood Center (formerly known as Nursery School) is open, and there are children ages 3-5 who are on site! This is the view as they enter the building.

The floor has been redone, and it looks fresh and bright. (We'll be redoing the ceiling over Winter Break, with additional lights, so it will look even brighter in a few months.) The office you see in the picture is the Early Childhood Center office, and next to it is the Youth Lounge with the cool glass folding doors. To the right, you can see the lobby area outside of the Merkaz, our totally revamped Community Room (formerly known as the Multi-Purpose room).

In the photos below, you can see the children enjoying the playground while wearing masks and socially distancing. Even with these restrictions, they know how to have fun, and they are loving all of the playgrounds!

As always, please reach out if you have any questions: bptf@templerodefshalom.org
