

11.12.2020 Weekly Update

Reyna Pratt, Chair of the Building Project Task Force, provides our updates as construction progresses.

This week, I have an update on the corridor that connects our main entrance and the Sanctuary Foyer to the new Small Sanctuary. This corridor, called the Gallery Walkway, runs along the North Wing. Here is the newly opened entrance from our Sanctuary Foyer. To orient you: as you come into the main entrance and walk toward the Main Sanctuary, you'll turn right (as if you were going into the North Wing). You'll see this new opening!

And as you continue into the opening, you see the Gallery Walkway (which is not quite finished but it's getting there).

Once you walk through the corridor, if you turn around and look back at where you just walked, this will be your view.

Of course, there is some work still to be done, but check out the wood ceiling and the enormous windows. It will be light-filled and a beautiful transition to our new Sanctuary addition!

As always, please reach out if you have any questions: bptf@templerodefshalom.org
