## Turning Setbacks Into Success: Helping Kids Thrive Through Challenges with Author Michelle Icard

Every kid makes mistakes. The trick is to turn these missteps into character-building moments for your child.

Join the Safe Community Coalition on April 23 at 7pm at MCC's Alden Theatre for Turning Setbacks into Success with author Michelle Icard. Based on *"8 Setbacks That Can Make a Child a Success"*, the talk helps parents know when to step in or step back as kids navigate challenges like friendship struggles, rule-breaking, and self-doubt.

With 20+ years in education and parenting research, Icard shares insights with humor and empathy. Ideal for parents & caregivers of kids in grades 3–12. Tickets: \$15 pre-sale / \$20 at the door.
